THE BIG IDEAS The Metabolic Approach to Cancer

Well, as per our Notes on Tripping over the Truth, there are two theories on the origins of (and therefore the therapies for) cancer: the “somatic mutations theory” of cancer (or “SMT”) and the metabolic theory of cancer Western medicine’s current approach to cancer is based on the somatic mutations theory which

Précis of Tracking Truth - UC Berkeley

them, others by tripping over them as obstacles Alvin Goldman’s cau-sal theory of knowledge, for example, exposed the neglected role of the fact that in successful perceptual knowledge our beliefs are connected to the world in a causal and historical way (Goldman 1967) Surpris-ingly, causal requirements were not enough to explain why the
